 Paris 103, 104, sent Bonn 9, 10.

Department favors French view on ~~some~~ exceptions TTD ban proposed by UK but was willing accept UK changes in interest reaching agreement. We will accept any reasonable resolution UK - French differences, but urge speed.

Re duration ban, Department had not intended matching duration East German harassment. Period of ban would reflect seriousness harassment. One week ban probably minimum effective period but we had envisaged two or weeks as normal period.
